Residential Sheet Metal Journeyman Wanted!

Change Your Career for the better.

We are currently seeking highly motivated individual to join our team in the full-time position of **Sheet Metal Journeyman** in Collingwood and Owen Sound.

As a **Sheet Metal Journeyman** you will be responsible for installation of sheet-metal duct-work, HVAC units, including electronic and mechanical components for commercial projects. In all activities and tasks you will work using safe work practices.

The successful candidate for this role will be in good standing with the College of Trades and demonstrate:

- Commitment to our organization's progressive culture, including our company Core Values
- High school diploma preferred
- Completion of college vocational or technical training preferred
- Appropriate credentials and certifications – Sheet Metal Worker Red Seal Certificate
- Gas 3 or 2 Ticket
- Possess a valid driver's license and clean driver's abstract
- Read and interpret and understand mechanical blueprints, drawings and specifications for new construction homes and small to midrise commercial project
- Mark houses for heating and cool air returns, main gas lines and venting
- Perform gas piping and vent furnaces, water heaters, and fireplaces
- Ability to work independently in a busy environment
- Highly flexible, with solid interpersonal skills that allows one to work effectively in a diverse working environment
- Able to effectively communicate both verbally and in writing
- Able to work well under pressure
- Strong attention to detail
- Able to deal with people sensitively, tactfully, diplomatically, and professionally at all times
- Strong commitment to meet and complete tasks according to timelines/deadlines
